

Jeff Lanza

Keynote Speaker

Jeff Lanza was an FBI Agent for more than 20 years during which he investigated corruption, corporate fraud, computer crime and organized crime. For nearly two decades, he also served as a public face of the FBI and was one of the agency's most utilized spokespersons.

He is a certified FBI instructor and has developed and timely and dynamic keynote presentations which he has provided more than one thousand times to associations, corporate boards, and employees of major corporations around the world.

His presentation on leadership ethics has been utilized to train future leaders in numerous organizations, including the University of Kansas, Blue Cross Blue Shield and the Helzberg Entrepreneur Leadership program. His keynote presentation on cyber security and identity theft was provided to a nationwide audience of Citigroup employees.

Presentation at a Glance:

Jeff's style is story-based. Real life examples enhance the important message. He provides lots of humor, all of which is related to key take home learning points.

*Specific Topics Can Be Customized for Your Group
Some of Jeff's Most Requested Topics Include:*

- Crisis Communication
- Leadership Ethics
- Cyber Crime
- Identity Theft
- Fraud Prevention

Jeff Lanza is a compelling and dynamic speaker who holds an audience's attention with his excellent delivery, humor and in-depth knowledge of important and timely topics.

During his FBI career, Jeff's expertise and delivery style was evident during his appearances on the Today Show, Good Morning America, Larry King Live, CNN and many others.

When he takes the microphone at your event, you can be confident that you are in for a treat - and an informative and engaging presentation.
