SPEAKER - TRAINER - AUTHOR

ISSUE VIII

Steve delivers high-impact, high-results presentations to audiences large and small.

Helping people look and sound smart when they talk.

What would it mean to your bottom line if everyone in your organization were confident and convincing?

Great communicators are made, not born. With the right tools and training, anyone can command a room, hold people's attention, and move them to action.

Never the same speech twice. Steve customizes every program to meet your

specific needs, and they are all designed so that your people can apply their newfound skills right away. Whether you're looking for a lunch presentation or a two-day master

class, let Steve create a program tailored to your unique set of needs.

Uniquely positioned to deliver concrete results. Steve builds communication superstars in organizations like yours by mixing cutting-edge research, real-world experience, and highly-interactive programs. His unique approach has been forged over 20 years as a top advertising executive, business owner, history teacher and stand-up comedian. He gives you a rare blend of steak *and* sizzle.
